Sir:

Responsive to the Notice of Non-Compliant Amendment dated December 6, 2006, Applicant respectfully requests reconsideration in view of the following amendments and remarks. The Notice was issued because claims 1-17 were left out of the amendment and response filed on November 15, 2006. These claims were inadvertently omitted from the filed response, which is now corrected by this paper. This paper, therefore, makes the amendment fully compliant, in accordance with the Notice of December 6, 2006. The entire Amendment is resubmitted herewith. Authorization to charge the deposit account is on the last page.

Amendments to the Claims begins on page 2 of this paper.

Remarks begin on page 5 of this paper.
